

Fighting ^{FOR} ^{OUR} Future AT Frontier

For the week of January 15 – January 19, 2018

CWA/FRONTIER BARGAINING REPORT #23

The Union Bargaining Committee and Company Bargaining Committee met this week. Topics discussed during the meetings were Job Security and the Medically Restricted Policy. Additionally, the Union Committee pointed out that Frontier has yet to provide a response to the Union's Healthcare proposal or answer the majority of information requests that have been pending since last year. The Union Bargaining Committee presented an information request on the Working Families Tax Relief Act inquiring about any expected savings as well as any other benefit or harm Frontier expects.

In the coming weeks mobilization activities will be increasing and everyone's involvement will show Frontier our resolve. Stay in touch with your Local's Mobilizer to find out about the next mobilization.

The next scheduled meeting for bargaining is January 29, 2018.
